Dated:13th December, 2004

OFFICE MEMORANDUM

Subject: Amendment to Broadband Policy 2004

The following amendments to the Broadband Policy 2004 are hereby issued:

1. After 2nd sub-para of para 3.3, the following para is inserted, namely:

Other wireless installations with antenna height less than 5 metres, above the rooftop of an authorised building, will also not require SACFA clearance for such antenna.

2. In para 3.1(e), the phrase "2.40 – 2.4835 MHz" is substituted with "2.40 – 2.4835 GHz".
