- ii) Bidder should do the enrolment in the e-Procurement site using the "Click here to Enroll" option available on the home page. Portal enrolment is generally free of charge. During enrolment/registration, the bidders should provide the correct/ true information including valid e-mail-id. All the correspondence shall be made directly with the contractors/bidders through e-mail-id provided.
- iii) Bidder need to login to the site through their use ID/password chosen during enrolment/registration.
- iv) Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by NIC/SIFY/TCS/nCode/eMudhra or any Certifying Authority recognized by CCA India on e-Token / Smart Card, should be registered.
- v) The DSC that is registered only should be used by the bidders and should ensure safety of the same.
- vi) Contactor/Bidder may go through the tenders published on the site and download the required tender documents/ Annexures for the tenders he / she is interested.
- vii) After downloading/getting the tender document/ Annexures / Appendices, the bidder should go through them carefully and then submit the documents as asked, otherwise bid will be rejected.
- viii) If there are any clarifications, this may be obtained online through the tender site, or through the contact details. Bidder should take into account the corrigendum / Addendum published before submitting the bids online.
- ix) Bidder then logs in to the site through the secured log in by giving the user id/password chosen during enrolment/registration and then by given the password of the e-Token/Smart Card to access DSC.
- x) Bidder selects the tender which he/she is interested in by using the search option & then moves it to the "my tenders" folder.
- xi) From my tender folder, he selects the tender to view all the details indicated.

xii) It is construed that the bidder has read all the terms and conditions before submitting their offer. Bidder should go through the tender Annexures and appendices carefully and upload the documents as called for, otherwise, the bid will be rejected.

xiii) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document/annexure and generally, they can be in PDF/xls/rar/zip/dwf formats. If there is more than one document, they can be clubbed together and can be provided in the requested format. Each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip/ rar and the same can be uploaded, if permitted. Bidders Bid documents may be scanned with 570 dpi with black and white option. However if the file size is less than 1 MB the transaction uploading time will be very fast.

xiv) Bidder should take into account the corrigendum/Addendum published from time to time before submitting the online bids.

xv) The Bidders can update well in advance, the documents such as certificates, annual report details etc., under My Space option and these can be selected as per tender requirements and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.

xvi) Bidder should submit the Tender Fee/EMD as specified in the tender. The original should be posted/couriered/given in person to the Tender Inviting Authority, within the bid submission due date & time for the tender. Scanned copy of the same should be uploaded as part of the offer.

xvii) While submitting the bids online, the bidder reads the Terms & conditions and accepts the same to proceed further to submit the bid packets.

xviii) The bidder has to select the payment option as offline to pay the Tender FEE/EMD as applicable and enter details of the instruments.

xix) The details of the DD physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise bid will not be acceptable.

xx) The bidder has to digitally sign and upload the required bid documents one by one as indicated. Bidders to note that the very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read all sections and pages of the bid document including General conditions of contract without any exception and have understood the entire document and are clear about the requirements of the tender requirements.

xxi) The bidder has to upload the relevant files required as indicated in the covered content. In case of any irrelevant files, the bid will be rejected.

**xxii) If price bid format is provided in a spread sheet file like BoQ\_xxxx.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Price Bid/BOQ template must not be modified/replaced by the bidder; else the bid submitted is liable to be rejected for this tender.**

xxiii) The bidders are requested to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission end date & time (as per Server System Clock). The TIA will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders at the eleventh hour.

xxiv) After the bid submission (i.e after Clicking "Freeze Bid Submission" in the portal), the acknowledgement number, given by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and will also act as an entry pass to participate in the bid opening date.

xxv) The time settings fixed in the server side & displayed at the top of the tender site, will be valid for all actions of requesting, bid submission, bid opening etc., in E-tender system. The bidders should follow this time during bid submission.

xxvi) All the data being entered by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission & not be viewable by any one until the time of bid opening.

xxvii) Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers

xxviii) The confidentiality of the bids is maintained since the secured Socket Layer 128 bit encryption technology is used. Data storage encryption of sensitive fields is done.

xxix) The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.

xxx) For any queries regarding e-tendering process, the bidders are requested to contact as provided in the tender document. Simultaneously for any further queries, the bidders are asked to contact over phone: 1800-3070-2232 or send an email to cppp-nic@nic.in.

## 12. Modification and withdrawal of bids.

The bidder may modify online his bid before the deadline prescribed for submission of bid.

## 13. Summary Rejection of Bid:

One or more of the following reasons will render a bid liable to summary rejection:-

- i. A bid not secured in accordance with para 9 of section II of the bid document.
- ii. Downloaded bid document without DD for requisite amount towards price of bid document (Rs. 500) in favor of 'CAO, O/o Pr. CCA, Hyderabad' payable at Hyderabad from a Nationalized/Scheduled bank.
- iii. Conditional bid or bid received with validity for a shorter period than prescribed.
- iv. Documents establishing eligibility as per clause 3 not submitted.
- v. Over-writing/ corrections in the Financial Bid form.

## 14. Evaluation:

- i. All bids will be examined for responsiveness with respect to Terms & conditions in the bid document.
- ii. Thereafter the evaluation will be done for substantively responsive bids only.
- iii. A substantively responsive bid is one that conforms to all the terms and conditions of the Tender Documents without any material deviations. The bid's responsiveness shall be based on the contents of the bid itself without recourse to any extrinsic material.
- iv. A bid determined as substantively non-responsive shall be rejected.
- v. The bidder(s) shall not be permitted to make corrections after opening of bid to make such bid(s) substantively responsive.
- vi. The purchaser is not bound to accept the lowest or any tender and reserves the right to accept the whole or any part of the tender and of allotting the quantities offered. The bidders shall supply the quantities as decided by the purchaser at the approved rates.
- vii. The purchaser may waive minor non-conformance or irregularity(s) in a bid, which does not constitute a material deviation, provided such a waiver does not prejudice or affect the relative ranking of the bid(s).
- viii. Arithmetical error, if any shall be rectified in the following manner:
  - a. If there is a discrepancy between words & figures; the amount in words shall prevail.
  - b. If there are errors in the calculations or rate of applicable Govt. levies, duties & taxes, the same will be corrected by the purchaser.

## 15. Commercial Evaluation of Substantively Responsive Bids:

On bid opening day mentioned in the NIT, only technical bids will be opened which will be evaluated for responsiveness. Financial bids of those bidders whose technical bids are found to be responsive only will be opened and commercially evaluated, on a different date. Date of opening of financial bids will be intimated to all eligible bidders.

The ranking shall be based on the prices offered inclusive of all taxes.

## 16. Documents comprising the bid
