No. T-11024/3/2012-Conf

Dated: September 05, 2012

OFFICE MEMORANDUM

A Committee "NFAP Review/ Revision Committee-2013" with the approval of Hon'ble Minister of Communications & Information Technology is constituted under the chairmanship of Wireless Adviser to the Government of India to review/ revise the existing NFAP-2011. NFAP-2011 was released by Hon'ble MOC&IT on 30th September, 2011 and was made effective from 1st October, 2011. The same has been made public and placed on the website of WPC Wing www.wpc.dot.gov.in.

2. The committee is mandated to review/ revise the NFAP-2011 document considering the latest developments in the field of spectrum management and the various decisions taken by the World Radiocommunication Conference-2012 effecting the national frequency allocation plan and modify allocations of frequency in various bands for making provisions for radio services. The committee may consider to have proposals/ views from all the stakeholders and the discussions thereon to build a consensus to the extent possible, on the various issues consider review/ revision of NFAP.
3. It is also decided that NFAP-2013 shall be made effective from April 01, 2013.
