Subject: Add new method in all websites of your department for easy surfing for Hindi and other language users-**regd.**

Respected Sir/Madam,

URLs of Hindi and other pages of your websites are in English. So, non-English people of our INDIA have hesitation to surf these pages. To remove it include below technology in all Hindi and other language pages of your all websites.

Problem: If a Hindi user gets Hindi webpage by help of anyone then he needs help again and again of anyone.

Solution: After this new method he will press any 3 keys twice from keyboard and Ctrl+Enter and he will get his webpage. Ex. ppooii Ctrl+Enter, ppooii.com, kkjjhh.com etc.

Method: You will paste a method in your all required pages only. Get this method code from this link <http://www.atoall.com/2/m/e.asp?id=Example.com>

Information: New technology of Atoall.com is already approved by many educational boards to include in computer science syllabus.
