All the Pr.CsCA /CsCA

Subject: Computerisation of WPF Wing.

The collection of spectrum charges was decentralised to the office of the CCAs in respect of the following services with effect from the date mentioned against that service;

- Private Operators using GSM Spectrum : 01.04.2004
- Private Operators using CDMA Spectrum : 01.04.2005
- BSNL/MTNL : 01.07.2005

2. From 01.04.2011, data for collection of spectrum charges has already been entered separately for each type of spectrum, i.e. Main Radio spectrum (GSM, CDMA, GSM 3G, CDMA 3G), Microwave Access & Microwave Backbone by all CCAs.

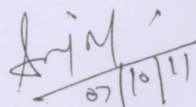

3. Now, the collection of spectrum charges for the period 01-04-2004 to 31-03-2011 has also to be entered in the software. Since, separate amount for each type of spectrum is not available for the said period, data may be entered for consolidated payment made for MWA and MWB by the operator. It is intimated that O/o the Pr.CCA Delhi Region has already entered the data for the said period.

4. Useful guidelines "HOW TO ENTER DATA IN MODIFIED WPF COLLECTION MODULE" has already been sent to help the users.

It may please be ensured that above work of entry of data in respect of the spectrum charges received in your office should be completed by 31.10.2011 positively and a report to this effect may be submitted to Sr DDG(WPF), DoT HQ. Any doubt or difficulty should be emailed immediately to the undersigned in email ID dirwr-dot@nic.in.

Please give a status report on weekly basis..
