2. In view of above amendment, the date of submission of self certificates to respective TERM Cells for the current two year cycle for BTS other than those BTS which are newly

Agree

installed or upgraded during this two year cycle, shall end on 31.03.2013. This implies that for the current cycle, the last date of submission of self certificates is 31.03.2013. For a BTS which is newly installed or upgraded during the two year cycle, the self certificates shall continue to be submitted to respective TERM Cells as per existing instructions.

3. The date of self certification of a site in a particular two year cycle should be after a gap of at least one year from the date of self certification of that site in the previous cycle. The revised limits/ levels of RF norms as provided in amended clause in above table are applicable from 01.09.2012 for which instructions have already been issued vide letter of even no. dated 30.12.2011 and 10.04.2012.
