Dated: 30.12.2019

**Subject: Corrigendum to the RFP dated 12.12.2019 in respect of the selection of the agency for conducting e-auction of spectrum in various bands- regarding**

Kindly refer to the Request for Proposal (RFP) dated 12.12.2019 issued by the Department of Telecommunications (DoT) through e-Procurement portal (eprocure.gov.in) and DoT portal (dot.gov.in). In this regard, the following modifications are made in the RFP dated 12.12.2019:

(i) The clause 1.9.2(C) of the RFP under column 'Technical Evaluation parameter' may be read as under:

*"The marks will be awarded as follows:*

<b>Total Value of Spectrum e-Auctions (in INR crore)</b>	<b>Marks</b>
More than 10,000 crore	10
INR 8,001 to 10,000 crore	08
INR 6,001 to 8,000 crore	06
INR 4,001 to 6,000 crore	04
INR 2,000 to 4,000 crore	02
Less than 2,000 crore	Nil

*Value of each e-auction should be at least INR 100 crore to be considered for marking."*

(ii) The clause 1.9.2(E) of the RFP under column 'Technical Evaluation parameter' may be read as under:

*"The bidder should have its own Domain and the e-auction related software, which should be owned by the company. In case the bidding is by a consortium, ownership of domain and the e-auction related software should be of any of the members of the consortium."*
