

File No. 20-271/2010 AS-I (Vol-III)  
Government of India  
Ministry of Communications  
Department of Telecommunications  
(Access Services Wing)  
20, Ashoka Road, New Delhi - 110001

Dated 23<sup>rd</sup> August, 2022

To,  
All Unified Access Service Licensees

**Subject: Amendment to the Unified Access Services License Agreement (UASL) for removing restrictions on telecom connectivity near International Border Areas - reg.**

As per the Condition 5.1 of Part-I of UAS License Agreement, the Licensor reserves the right to modify at any time the terms and conditions of the License, if in the opinion of the Licensor it is necessary or expedient to do so in public interest or in the interest of the security of the State or for the proper conduct of the telegraphs. In pursuance of this condition, the Licensor hereby amends the following in the UAS License Agreement:

Existing Clause	Amended Clause
<b>PART-I, GENERAL CONDITIONS, SCOPE OF THE LICENSE:</b> 2.2(d)(ii) For provision of mobile services in areas falling near International Border of India, the condition specified in clause 41.9 shall be applicable.	<b>PART-I, GENERAL CONDITIONS, SCOPE OF THE LICENSE:</b> 2.2(d)(ii) Deleted.
<b>PART-VI, SECURITY CONDITIONS:</b>  41.9 (i) Licensee shall ensure that the Base Stations, Cell Sites or Radio Transmitters, as the case may be, to provide mobile telephone services near International Border of India, wherever located and established shall be as far away from such border as feasible and such Base Stations, Cell Sites or Radio Transmitters shall work in such a fashion that radio signal(s), emanating therefrom, fade out when nearing or about to cross international border and become unusable within a reasonable distance across such border. For this purpose, suitable technical infrastructure shall be installed by the Licensee.	<b>PART-VI, SECURITY CONDITIONS:</b>  41.9(i) Deleted
41.9 (ii) Notwithstanding any thing in condition 41.9(i), in the areas falling within 10 Kms of Line of	41.9(ii) Deleted

*(Signature)*

Control(LOC), Line of Actual Control (LAC) and International Border between Akhnoor in J&K and Pathankot and other areas as may be notified from time to time by the Licensor, installation of Base Stations, Cell Sites or Radio transmitters or any concerned equipment and execution of the concerned project by the Licensee shall be taken up only after prior approval from local Army authorities about specific location of BTS with prior intimation to the Licensor and concerned VTM Cell in addition to requisite clearances. The Licensor, its authorized representative(s) as well as Army authorities shall have powers to inspect such BTS(s) and the Licensee shall facilitate inspection of the BTS as per requisition from such authorities. During emergency, if so desired by the Licensor and / or Army, the Licensee shall shut down such BTS(s) under intimation to the Licensor/concerned VTM Cell. The order for shutting down such BTS(s) by Army must be signed by at least Commanding Officer of local Army Unit.

41.9 (iii) Periodic surprise checks may be carried out by the Licensor or its authorized representative(s) /Army and / or security agencies in order to ensure compliance of the above conditions by Licensee(s). In case, any violation is detected, stern action shall be taken according to the terms and conditions of the License Agreement, including imposition of financial penalty.

41.9(iii) Deleted

2. This amendment shall be part and parcel of the UAS License Agreement, and all other Terms & Conditions shall remain unchanged.

(Anil Kumar Gehlot)  
Director (AS-I)
