8. Besides the aforementioned rogue websites, the plaintiffs have also arrayed the Internet Service Providers (ISPs). These ISPs are arrayed as defendant nos. 38 to 46.

8.1 Furthermore, to ensure that the ISPs block access to the aforementioned rogue websites, the plaintiffs have also arrayed the concerned department i.e. DOT and the concerned ministry of the Union of India i.e. MEITY as defendant nos. 47 and 48 respectively.

9. I have heard Mr. Saikrishna Rajagopal in support of the case put forth by the plaintiffs.

10. According to me, the rogue websites which enable streaming of the creative works of the plaintiffs in which they have copyright, *albeit* illegally, is a cause for concern. In sum, it is the plaintiffs' case that the rogue websites are indulging in digital piracy.

10.1 I am of the view that if the plaintiffs are not protected, as prayed for, irreparable damage would be caused to their commercial and statutory interest.

10.2 The balance of convenience, it appears, is also in favour of the plaintiffs.

11. Therefore, I am inclined to issue the following interim directions to protect the interest of the plaintiffs:

- (i) Defendant nos. 1 to 37 are restrained from, in any manner, hosting, streamlining, reproducing, distributing, making available to the public and/or communicating to the public or facilitating the same on their websites through the internet in any manner whatsoever, any

cinematograph work, content, programme and show in which the plaintiffs have copyright.

(i)(a) This injunction shall also operate in respect of the mirror/redirect/alphanumeric websites, which are put in play by defendant nos. 1 to 37 to grant access to the websites referred to in paragraph 7.3 hereinabove.

(ii) Defendant nos. 38 to 46 are directed to block access to the websites of defendant nos. 1 to 37 as detailed out in paragraph 7.3 above.

(ii)(a) This direction will also operate *qua* mirror/redirect/alphanumeric websites, which have their roots in the websites of defendant nos. 1 to 37 referred to in paragraph 7.3 above.

(iii) Defendant nos. 47 and 48 shall issue necessary directions/notifications calling upon various ISPs, in general, to block access to the websites of defendant nos. 1 to 37 as also *qua* mirror/redirect/alphanumeric websites of the said defendants, which are referred to in paragraph 7.3 above.

(iv) The plaintiffs are given liberty to file an application under Order I Rule 10 of the CPC to array other rogue websites if the same are discovered after the issuance of the instant interim order. The purpose being that the Court, in these cases, needs to dynamically monitor such egregious illegality and, if necessary, pass interim orders to restrain similar rogue websites from illegally streaming the creative content in which the plaintiffs have a copyright.

12. The plaintiffs will comply with the provision of Order XXXIX Rule 3 of the CPC within five days of the receipt of a copy of this order.

13. Renotify the matter on 01.09.2020.

Annexure

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
