ORDER
24.02.2023

I.A. 3766/2023 (under Section 151 of the CPC)

1. By this application, plaintiff seeks a modification of the order dated 16th February 2023 passed by this Court in I.A. 3141/2023 by incorporating, in the said order, two additional directions, as were passed by this court in a similar order dated 11th January 2023 passed in I.A. 496/2023 in CS(COMM) 11/2023 (*Star India Pvt. Ltd. v. Live4wap.Click*).

2. In addition to the directions already contained in the order dated 16th February 2023 passed in I.A. 3141/2023, Defendants 38 to 46 are directed to block access to any alpha numeric/re-directed/mirror websites of the defendants' websites on communication, by the plaintiff, that the said alpha numeric/re-directed/mirror websites are indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging.

3. This application seeks a further direction to Defendants 47 and 48 to issue notifications calling on internet and telecom service providers registered under it to block access to any additional website which may be declared, by the plaintiff, in an affidavit, submitted to Defendants 47 and 48, to be indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging.

4. The issue of whether a particular website is indulging in infringing activities or not is, necessarily, an issue which only a court can decide. Classically, parties between themselves and without Court's intervention cannot treat any activity, whether physical or virtual, as infringing and take injunctive action on that basis.

5. Mr. Siddharth Chopra, learned Counsel for the plaintiff submits that, though this may be the correct legal position, strict adherence thereto would result in serious prejudice as rogue websites which replicate and stream content such as newly released films without any authorisation spring up overnight and, if the websites are not immediately blocked, the films would be streamed and would, therefore, be disseminated extensively through various social media platforms. He, therefore, submits that a balance is required to be struck. For this purpose, he offers to condition his prayer with the caveat that, simultaneously with the filing of the affidavit with Defendants 47 and 48, an application would also be filed before this Court, informing this Court of the said affidavit so that the Court could take a decision as to whether the allegations against the said website are justified or not.

6. *Prima facie*, the suggestion is wholesome and would strike a

balance between complying with the requirement of justice and fair play and ensuring that rogue websites do not mushroom and indulge in blatant infringement.

7. Accordingly, Defendants 47 and 48 are directed to issue notifications calling upon the various internet and telecom service providers registered under it to block access to any additional websites, as may be communicated to them by the plaintiff on affidavit to be indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging. However, it is clarified that, before doing so, Defendants 47 and 48 are required to convince themselves that the websites are actually indulging in infringing activities.

8. In such an event, the plaintiff shall simultaneously file, along with the affidavit to be filed before Defendants 47 and 48, an application before this Court, informing it of the said affidavit and seeking approval of the request for blocking or suspending the said additional websites. Failure to file such an application simultaneously with the affidavit would result *ipso facto* in revival of the websites of which blocking is sought by the plaintiff.

9. This application stands disposed of in the aforesaid terms.

10. The order dated 16th February 2023 shall stand modified accordingly.

Dear Sir,

We write to you on behalf of our Client, Star India Pvt. Ltd., having its office at Star House, Urmi Estate, 95 Ganpatrao Kadam Marg, Lower Parel (W), Mumbai, 400013 ("Our Client").

Our Client and its division, Star Studios, is a leading film production and distribution company in India, the exclusive licensee of media rights in various films across varied genres and languages, and has produced and/or acquired the rights to various Hindi films such as "Tadap" 'Sadak 2'; 'Khuda Haafiz'; 'Dil Bechara'; 'Baaghi 3'; 'Chhapaak'; 'Housefull 4'; 'Lootcase', etc. Our Client also has the exclusive broadcasting rights of the film 'Selfiee' ("the Film"), which was being released on 24th February 2023 in India. The Film has been produced by Dharma Productions Pvt. Ltd., Prithviraj Productions Pvt. Ltd. and Cape of Good Films LLP.

Apprehending piracy and illegal streaming / downloading of the Film, Our Client instituted a Suit against various rogue websites (impleaded as Defendant Nos. 1 - 26 in the captioned matter) which engage in illegal and infringing activities (list of the domain names / websites is attached herewith), before the Hon'ble Delhi High Court, inter alia, for permanent injunction restraining violation of its exclusive statutory rights in the Film. Our Client also impleaded various domain name registrars, internet and telecom service providers as well as the concerned government departments (Department of Telecommunication and the Ministry of Electronics and Information Technology), as Defendants, to ensure effective compliance of any orders that the Hon'ble Delhi High Court was inclined to pass.

The above-mentioned matter came up before the Hon'ble Justice Mr. C. Hari Shankar, Delhi High Court on 16th February 2023, the Hon'ble Court was pleased to issue notice to you and was also pleased to pass an ex-parte ad-interim order.

Further, vide order dated 24th February 2023, clarified and passed the below mentioned directions:

"7. Accordingly, Defendants 47 and 48 are directed to issue notifications calling upon the various internet and telecom service providers registered under it to block access to any additional websites, as may be communicated to them by the plaintiff on affidavit to be indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging. However, it is clarified that, before doing so, Defendants 47 and 48 are required to convince themselves that the websites are actually indulging in infringing activities.

8. In such an event, the plaintiff shall simultaneously file, along with the affidavit to be filed before Defendants 47 and 48, an application before this Court, informing it of the said affidavit and seeking approval of the request for blocking or suspending the said additional websites. Failure to file such an application simultaneously with the affidavit would result ipso facto in revival of the

websites of which blocking is sought by the plaintiff.”

In order to protect and enforce its Exclusive Rights, Our Clients engaged the services of an investigation agency, MarkScan, to monitor Rogue Websites and gather evidence of their infringing activity. Additional websites have been identified by the investigation agency engaged in illegally communicating Our Clients’ Works.

Consequently, in terms of the directions passed by the Hon’ble Court, *vide* Order dated 16.02.2023, the *ex parte ad-interim* Order and 24.02.2023 (reproduced above, i.e., Paragraph 7 and 8) is also applicable with respect to these additional websites.

Annexure

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
