Note:

(1) Refer Note under Table A3 of Section 12.1 on Details of spectrum put to auction.

(2) Spectrum blocks mentioned above for Maharashtra LSA are not available for assignment in a region of 30 km radius around GMRT observatory. Exact details of the region where spectrum blocks in Maharashtra LSA are not available for assignment will be provided to the qualified bidders separately.

Total No. of Blocks		66			
Total Quantum (MHz)		13.2			

Note:

(1) In Haryana LSA, spectrum block nos. 93 to 142 above are available for assignment in entire Haryana LSA except Sirsa and Fatehabad districts.

* [Date of availability]:

a. In case the date of availability mentioned herein (Annexure - F) is before the issue of the Frequency assignment letters for Auction 23-24, the effective date shall be as follows:

(I) In case the successful bidder is same as incumbent, "Effective date" for counting 20 years validity period for the right to use spectrum will be considered from the Date of Availability as mentioned in Annexure 'F'

(II) In case the successful bidder is other than the incumbent, the "Effective date" for counting 20 years validity period for the right to use spectrum will be considered from the date of vacation by the incumbent, which will be not more than 60 days from the date of declaration of provisional results.

b. In case the date of availability indicated herein (Annexure - F) is after the issue of the Frequency assignment letters, post Auction 23-24, the "Effective date" for counting 20 years validity period for the right to use spectrum will be the Date of Availability as mentioned in Annexure 'F'.
