Application for Frequency assignment to the Successful Bidder in the Auction 2016:

(One application for each LSA)

1. Name of the Applicant (as in the Service License):

2. Address (including fax no):

3. Name of the Licensed Service Area for which frequency assignment is required:

4. Proof of upfront payment made :

5. Quantum of spectrum already held and that won provisionally in the Auction 2016:

Band	Type of spectrum	Uplink		Downlink		Year of Frequency assignment	Remarks
		Freq. Start	Freq. Stop	Freq. Start.	Freq. Stop		
700 MHz							
(a)							
(b)							
.							
800 MHz							
(a)							
(b)							
.							
900 MHz							
(a)							
(b)							
.							
1800MHz							
(a)							
(b)							
.							
2100 MHz							
(a)							
(b)							
.							
2300MHz							
(a)							
(b)							
.							
2500 MHz							
(a)							
(b)							
.							

Note: (1) Please append rows to incorporate additional blocks of existing spectrum or newly acquired spectrum as the case may be.

(2)Under the column 'Type of spectrum', the values could be: Auction, Liberalised, Trading, Sharing and Administrative

6. Technology and bandwidth proposed to be used in each bands:

      a. 700 MHz: ---------   -----------

      b. 800 MHz: ---------   -----------
