About the Workshop

This half-day online workshop on “Web portals of DoT (Part-2)” is going to cover two web portals vital for HR management of the employees of DoT- SancharVHR and e-HRMS 2.0 portal. The workshop is the part of the series of workshops covering different web portals of DoT. This second installment is aimed at giving holistic overview of functional and technical details of SancharVHR and e-HRMS 2.0 portals. Our expert speakers from ITPC, Pune and DoPT/NeGD will take sessions. It will be followed by extensive Questions and Answer sessions.
