Subject: **ITU Asia-Pacific Centre of Excellence Online Training on "Spectrum Management and National Frequency Allocation Table", 15 July 2013 - 25 August 2013.**

Dear Sir/Madam,

I am pleased to invite your organization to participate in an online training on "**Spectrum Management and National Frequency Allocation Table**", organized jointly by the International Telecommunication Union and the Faculty of ICT, Ministry of Information and Communication Technology, Islamic Republic of Iran from 15 July to 25 August, 2013.

This online training has been developed as a part of the spectrum management program within the framework of the ITU Centre of Excellence for the Asia-Pacific Region and will take place at ITU Academy Online platform (<http://academy.itu.int>). It is addressed to staff from policy makers, regulators, corporate executives and managers, i.e. middle-level managers, administrators and officials dealing with spectrum management in general and national frequency allocation table in particular. The draft Agenda of the training and the details are attached (Annex 1) for your information.

The course envisages active contribution of participants in weekly discussions and other activities as they form the requisite tools to apply the knowledge accorded in the learning materials. Online registration details are available in Annexure 1. As the total number of participants is limited to 50, interested participants are kindly requested to complete the online registration as soon as possible but not later than **1 July 2013**. All participants are requested to seek the necessary approvals from their supervisors / organisations before registering in the course. This course is offered **free of charge** with the expertise support from the Faculty of ICT, I.R. Iran.

I look forward to your active participation in the course.

Yours faithfully,

Eun-Ju Kim, Ph.D.
Regional Director
ITU Regional Office for Asia and the Pacific
