Office Memorandum

No. 10-1/2023-AS-III/ 34

Dated: 12.03.2024

Subject: Demonstration of Lawful Interception System and Lawful Interception Monitoring (LIS/LIM) facilities for all types of services -regarding.

As per the terms and conditions of the licenses, Lawful Interception System (LIS) and Lawful Interception Monitoring (LIM) facilities demonstrations are offered by the Licensee(s) before the Lawful Enforcement Authorities (LEAs) while providing any new service as per the scope of an authorization.

2. The Clause 7 of the unified License (UL), inter-alia states as:

“Any service, permitted under the scope of this License Agreement, shall be commenced by the License after giving an intimation to do so to the Licensor. However, the compliance to the scope of the License and requisite monitoring facilities will be demonstrated to the licensor within 90 days from the date of receipt of such intimation from the Licensee”.

3. Accordingly, in compliance of this license condition, the licensees offer their LIS/LIM facilities for testing through the respective licensing divisions of the Department of Telecommunications (DoT) i.e. AS, CS, DS & Satellite divisions.

4. In order to streamline the processes and with the objective of Ease of Doing Business, now onwards all types of licensees shall offer the LIS/LIM facilities for testing through the SPPI division of the DoT.
