Constitution of High Level Forum for 5G India 2020

5G is the next technological frontier. Digital Transformation through 5G will fundamentally impact other national Mission Mode projects. 5G will provide a new dimension to the Digital India, Smart Cities & Smart Village missions. 5G has potentially large contributions to Make in India and Start-Up India missions. The objective is to position India as a globally synchronised participant in the Design, Development and Manufacturing of 5G based technology, products and applications.

2. In order to steer 5G India 2020, a High Level Forum has been constituted vide OM No. No 6-33/2017 –IC dated 22nd September 2017 with the following Members: -
