Notice Inviting Comments

Subject: Notice for seeking comments for Roadmap for use of Radio Frequency Spectrum in India during next 10 years

Department of Telecommunications has initiated the process of consultations for seeking comments and views in respect of Roadmap for use of Radio Frequency Spectrum in India during the next 10 years.

2. In this regard, **all stakeholders are requested to forward their comments through email on or before 13.01.2021**. Comments/suggestions may be forwarded to Shri Sukhpal Singh, JWA, WPC Wing, DoT at singh.sukhpal@nic.in with a copy to Shri M.K. Pattanaik, Sr. DWA, WPC Wing at pattanaik.mr@gov.in.

3. The inputs shall focus on the following points:

- i) What changes are required in current spectrum allocations?
- ii) What frequency bands should be considered for IMT/5G and other uses?
- iii) What spectrum allocations do you see in the next 10 years for India?
- iv) Any other suggestion in this regard.

To: All concerned
