I.A. 6387/2022(under Order 39 Rules 1 and 2 CPC, by Plaintiffs)

13. Issue notice to the Defendants through all prescribed modes, returnable on 31.08.2022.
14. Present application has been preferred by the Plaintiffs under Order 39 Rules 1 and 2 read with Section 151 of the Code of Civil Procedure 1908 for grant of *ex-parte ad-interim* injunction.
15. It is averred that Plaintiffs No. 1 to 6 are amongst the leading global entertainment companies engaged in the business of creation, production and distribution of motion pictures/cinematograph films, having exclusive rights to communicate their content. Plaintiffs' films being works of visual recording, which include sound recordings accompanying such visual

recordings, qualify as a “cinematograph film” under Section 2(f) of The Copyright Act, 1957 (hereinafter referred to as ‘the Act’). Any hosting, streaming, reproducing, distributing, making available to the public, and/or communicating to the public of the Original Content, or facilitating the same, without authorisation of the Plaintiffs, by any means on any platform including internet and mobile and/or any other medium would be illegal and amount to violation of the Plaintiffs’ copyright, protected under the Act.

16. Defendants No. 1 to 12 include vegamovies.run, with the additional domains vegamovies.app, vegamovies.bar, vegamovies.cx, vegamovies.info, vegamovies.ink, vegamovies.nl and vegamovies.onl (Defendant No. 1); 0123movie.stream with the additional domains 0123movies.ltd, 123movie.lc, 123movies.college, 123movies.futbol, 123movies.click, 123movies.gl, 123-movies.win, 123-movies.sx, 123movies44.com, 123movies0.gr, 123moviesgo.io, 123moviesme.online, 123moviess.se and 123movies.net (Defendant No. 2); allmovieshub.de with the additional domains allmovieshub.pro, allmovieshub.mobi, allmovieshub.org.in and allmovieshub.pw (Defendant No. 3); hdhub4u.mom with the additional domains hdhub4u.top, hdhub4u.li, hdhub4u.mx, and hdhub4u.one (Defendant No. 4); mkvcinemas.bz with the additional domain mkvcinemas.nz (Defendant No. 5); movierulzhd.bar with the additional domains 7movierulz.do, moviesrulz.net, 4movierulz1.com, 7moviesrulz.com, movierulz2free.com, movierulz4k.com and 4movierulz.live (Defendant No. 6); moviesverse.club with the additional domains, moviesverse.biz, moviesverse.mobi, moviesverse.me, moviesverse.com and 9moviesverse.in (Defendant No. 7); putlocker99.me (Defendant No. 8); themoviesflix.com.mx with the additional domains

themoviesflix.us.com and themoviesflix.com.ph (Defendant No. 9); unblockit.day with the additional domains unblockit.cam and unblockit.how (Defendant No. 10); uwatchfree.so with the additional domains uwatchfree.fo, uwatchfree.do and uwatchfree.vg (Defendant No. 11); tamilblasters.buzz with additional domains tamilblasters.bid, tamilblasters.club, tamilblasters.com, tamilblasters.net, tamilblasters.re and tamilblasters.vin (Defendant No.12), hereinafter referred to as “Defendant Websites” collectively. It is contended that Defendant Websites are online locations which enable use of Defendant Websites’ services, without any authorisation or license from the Plaintiffs, to: (a) view (by a process known as streaming/ downloading) cinematograph films, motion pictures, television programs or other audio-visual content, on devices connected to the Internet; (b) cause copies of those cinematograph films to be downloaded onto the memory of their devices for watching later or enabling others to watch or further copy those cinematograph film, and/or (c) identify other online locations including (by a process known as "linking") which enable those users to engage in the activities set out in (a) or (b). An illustrative list of illegal content made available by Defendants No.1 to 12 has been provided in para 30 of the plaint.

17. Learned Counsel for the Plaintiffs contends that Defendant Websites provide illegal content for free and such availability of content is supported by the advertisements featuring on these websites. The primary purpose of the Defendant Websites is to commit or facilitate copyright infringement. Thus, Defendants No. 1 to 12 are liable for infringement under Section 51(a)(ii), Section 51(b) and Section 51(a)(i) of the Act, for making a copy of the original content, including storing of it in any medium by electronic or

other means and communicating the original content to the public. Further, the hosting, streaming reproducing, distributing, making available to the public, and/or communicating to the public of the original content, or facilitating the same, without authorization of the Plaintiffs, amounts to violation of the Plaintiffs' copyright work, protected under the Act. In support of the contention, reliance is placed on the decision of this court in CS(COMM) 724 of 2017 dated 10.04.2019, **UTV Software Communication Ltd. & Anr. v. 1337x.to and Ors.**

18. Learned Counsel further submits that several of the domains/websites sought to be blocked by the present proceedings are really new iterations of domains/websites that were earlier blocked. Evidence collected by the investigator shows that the operators of the Defendant Websites are using known "pirate branding" to signal to users that the Defendant Websites are merely new iterations of sites that have been blocked earlier. Learned Counsel further submits that the Defendant Websites are in the form of new iterations and that the new iterations almost invariably have the same functionality and purpose as the earlier blocked sites and thus directions be issued to block the new iterations of the Defendant Websites as directed by the Court in **UTV Software Communication Ltd. (supra)**.

19. It is submitted that despite the legal notice calling upon the concerned Defendants to cease from engaging in their infringing activities, they continue to infringe the rights in Plaintiffs' original content. Defendant No.2, despite replying to the legal notice, stating that their websites do not contain Plaintiffs' content, continues to host the same. Defendant No.7, in response to the legal notice, removed access to Plaintiffs' content on their website <https://4moviesverse.cc>. After investigating the accessibility of the said

website, Plaintiffs removed the same from the array of parties. However, should the same be made accessible again and continue its infringing activities by making available the Plaintiffs' copyrighted content, Plaintiffs seek liberty to implead Website <https://4moviesverse.cc>. Other than these two instances, it is contended that the Defendant Websites are wilfully infringing Copyright material and ignoring or failing to respond to notice to cease all infringement. Access to many of Defendant Websites has been previously disabled in other jurisdictions, as elaborated in para 37 of the Plaintiff.

20. Having heard learned counsel for the Plaintiffs, this Court is of the view that Plaintiffs have made out a *prima facie* case for grant of *ex parte ad-interim* injunction. Balance of convenience lies in favour of the Plaintiffs and they are likely to suffer irreparable harm in case the injunction, as prayed for, is not granted.

21. Accordingly, Defendants No. 1 to 12 (and any such other mirror/redirect/alphanumeric website which appears to be associated with any of the Defendant Websites based on its name, branding or the identity of its operator, or discovered to provide additional means of accessing, the Defendant Websites, and other domains/domain along with their subdomains and subdirectories, owners/website operators/entities which are discovered to have been engaging in infringing the Plaintiffs' exclusive rights), their owners, partners, proprietors, officers, servants, employees, and all others in capacity of principals or agents, acting for and on their behalf, or anyone claiming through, by or under them are hereby restrained, from, in any manner hosting, streaming, reproducing, distributing, making available to the public and/or communicating to the public, or facilitating the same, on

their websites, through the internet in any manner whatsoever, any cinematograph work/content/programme/show in relation to which Plaintiffs have a Copyright.

22. Further, as held by this Court in ***UTV Software Communication Ltd. (supra)***, in order for this Court to be freed from constant monitoring and adjudicating the issues of mirror/redirect/alphanumeric websites, it is directed that as and when the Plaintiffs file an application under Order 1 Rule 10 CPC for impleadment of such websites, Plaintiffs shall file an affidavit confirming that the newly impleaded website is a mirror/redirect/alphanumeric website which appears to be associated with any of the Defendant Websites based on its name, branding or the identity of its operator, or has been discovered to provide additional means of accessing the Defendant Websites and other domains/domain along with their subdomains and subdirectories, owners/website operators/entities which are discovered to have been engaging in infringing the Plaintiffs' exclusive rights, with sufficient supporting evidence. Such application shall be listed before the Joint Registrar, who on being satisfied with the material placed on record, shall issue appropriate directions to the ISPs.

23. Defendants No. 13 to 21 shall ensure compliance of this order by blocking Defendants No. 1 to 12 websites, their URLs and the respective IP addresses.

24. Defendants No. 22 and 23 are further directed to take immediate steps and issue requisite Notifications, calling upon various internet and telecom service providers registered under them to block the aforementioned websites identified by the Plaintiffs.

25. Plaintiffs shall comply with the provisions of Order 39 Rule 3 CPC within 10 days from today.

Annexure

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
