However, it is clarified that, before doing so, Defendants 47 and 48 are required to convince themselves that the websites are actually indulging in infringing activities.*

*8. In such an event, the plaintiff shall simultaneously file, along with the affidavit to be filed before Defendants 47 and 48, an application before this Court, informing it of the said affidavit and seeking approval of the request for blocking or suspending the said additional websites. Failure to file such an application simultaneously with the affidavit would result ipso facto in revival of the websites of which blocking is sought by the plaintiff."*

8. Considering the abovementioned, the Department of Telecommunications (Defendant No. 47) and the Ministry of Electronics and Information Technology (Defendant No.

48) are urged to issue a notification to the Internet Service Providers (Defendant Nos. 38-46) to block the additional rogue web sites domains identified in **Document A** hereto.

% **ORDER**  
**16.02.2023**

**I.A. 3144/2023 (under Order XI Rule 1(4) of CPC)**

1. This is an application, under Order XI Rule 1(4) of the Code of Civil Procedure, 1908 (CPC) as amended by the Commercial Courts Act, 2015, seeking permission to file additional documents.

2. For the reasons stated in the application, the plaintiff is permitted to file additional documents within four weeks from today in accordance with the protocol envisaged by Order XI Rule 1(4) of the CPC.

3. The application is allowed accordingly.

**I.A. 3143/2023 (under Section 151 of CPC seeking exemption)**

4. Subject to the plaintiff's filing legible copies of any dim or illegible documents on which they may seek to place reliance within four

weeks from today, exemption is granted for the present.

5. The application is allowed accordingly.

**I.A. 3142/2023 (under Section 80 of the CPC)**

6. Given the urgent nature of the relief sought in the plaint, exemption is granted for the present from serving notice under Section 80 of the CPC on the official defendants.

7. The application is allowed accordingly.

**CS(COMM) 87/2023**

8. The plaintiff provides broadcasting services. The plaint asserts that the plaintiff owns the exclusive license to release and distribute and, thereafter, stream and release on its OTT Platforms, such as Disney + Hotstar, various Hindi films including “SELFIEE” (hereinafter “the film”) which forms subject matter of the present suit.

9. The film “SELFIEE” is scheduled for release on 24<sup>th</sup> February 2023. The exclusive copyright to broadcast and stream the film “SELFIEE” is asserted by the plaintiff on the basis of letters dated 8<sup>th</sup> February 2023 and 9<sup>th</sup> February 2023 by the producers of the film which acknowledged the exclusive copyright held by the plaintiff in terms of an earlier agreement dated 10<sup>th</sup> June 2022.

10. The film has also been granted certification by the Central Board of Film Certification (CBFC) on 8<sup>th</sup> February 2023.

11. Defendants 27 to 29 are the producers of the film. Defendants 1 to 26 are alleged to be rogue websites who are engaged, habitually, in making available, illegally and without authorisation, for downloading and streaming by the public, copyrighted work such as the film forming subject matter of the present plaint, on online websites.

12. Mr. Sidharth Chopra, learned Counsel for the plaintiff, has invited my attention to the following tongue-in-cheek recital, which figures on the website of Defendant 1 and which, he submits, is reflective of the bravura and impunity which they are engaging in the infringing activities:

“Moviesverse, Movies Verse, MoviezVerse is an online movie streaming platform that offers pirated content that is not released. It has a huge collection of latest movies and films that still not available on the market and YouTube. You can watch and download all contents free of costs, but they are illegal, so you have to take some precautions. It is not available in all countries so you can use VPN and choose a location with access to Moviesverse. Here, we will discuss the Movies Verse.

MoviesVerse, Movies Verse, MoviezVerse is a platform that provides the latest and unreleased Hollywood and Bollywood movies that violate the rules and regulations of the authority. You can save your money from going to the theatre or buying a CD. It offers HD quality, 720 pixels and 360 pixels videos on the phone and PC screen. You will get all movies and its search option is too advanced to find all movies quickly. It has no specific domains and we will recommend some of them that will exist to watch movies online.

The platform provides illegal content, so it is essential to hide your location and IP address. It works with all the most modern navigation programs (it does not even need Flash Player) and does not require any registration to be used. Follow these steps to get access Moviesverse: Install a trusted VPN in your device and select the location where MoviesVerse is allowed. Open your default browser and put the web address of MoviezVerse. Choose your favourite content and enjoy unlimited movies free.”

13. It is in these circumstances that the plaintiff has filed the present suit, seeking an injunction against the defendants from streaming or releasing, in a manner accessible to the public, the film “SELFIEE”. Additional and attendant prayers are also made.

14. The plaintiff has also filed I.A. 3141/2023 seeking *ad interim* injunctive reliefs.

15. This Court is flooded with cases of online piracy, without authorisation, of copyrighted works, being illegally made available for streaming and downloading.

16. Mr. Sidharth Chopra has invited my attention to an order passed by this Bench in CS(COMM) 11/2023 (*Star India Private Limited v. Live4wap.click*) in which, in similar circumstances, *ad interim* interlocutory orders were passed.

17. As such, let the plaint be registered as a suit.

18. Issue summons in the suit.

19. Written statement, accompanied by affidavit of admission and denial of the documents filed by the plaintiff be filed within 30 days with advance copy to learned Counsel for the plaintiff who may file replication thereto, accompanied by affidavit of admission and denial of the documents filed by the defendants within 30 days thereof.

20. List before the learned Joint Registrar (Judicial) for completion of

pleadings, admission/denial of the documents and marking of exhibits on 23<sup>rd</sup> March 2023, whereafter the matter would be placed before the Court for case management hearing and further proceedings.

**I.A. 3141/2023 (under Order XXXIX Rules 1 and 2 CPC)**

21. Issue notice, returnable on 17<sup>th</sup> April 2023 before the Court.
22. Reply be filed within four weeks with advance copy to learned Counsel for the plaintiff, who may file rejoinder thereto, if any, within four weeks thereof.
23. Following interlocutory directions are passed, to remain in force till the next date of hearing.
  - (i) Defendants No. 1 to 26 (and such other mirror/redirect/alphanumeric websites of Defendants 1 to 26 which are discovered during the course of the proceedings and notified on Affidavit by the Plaintiff to have been infringing the Plaintiff's exclusive rights and copyrights), their owners, partners, proprietors, officers, servants, employees, and all others in capacity of principal or agent acting for and on their behalf, or anyone claiming through, by or under it, shall stand restrained from communicating, hosting, streaming, and/or making available for viewing and downloading, without authorization, on their websites or other platforms, through the internet in any manner whatsoever, the Film – "Selfiee" in which the Plaintiff has exclusive copyright, so as to infringe the Plaintiff's exclusive rights, copyrights and broadcast reproduction rights.

(x) To facilitate implementation of the aforesaid directions, Defendants 47 and 48 are directed to issue a notification, calling on internet and telecom service providers registered under the said defendants, to block access to the aforesaid websites identified by the plaintiff and enumerated in the serial no.1 in the documents annexed to the plaint.

**I.A. 3766/2023 (under Section 151 of the CPC)**

1. By this application, plaintiff seeks a modification of the order dated 16<sup>th</sup> February 2023 passed by this Court in I.A. 3141/2023 by incorporating, in the said order, two additional directions, as were passed by this court in a similar order dated 11<sup>th</sup> January 2023 passed in I.A. 496/2023 in CS(COMM) 11/2023 (*Star India Pvt. Ltd. v. Live4wap.Click*).

2. In addition to the directions already contained in the order dated 16<sup>th</sup> February 2023 passed in I.A. 3141/2023, Defendants 38 to 46 are directed to block access to any alpha numeric/re-directed/mirror websites of the defendants' websites on communication, by the plaintiff, that the said alpha numeric/re-directed/mirror websites are indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging.

3. This application seeks a further direction to Defendants 47 and 48 to issue notifications calling on internet and telecom service providers registered under it to block access to any additional website which may be declared, by the plaintiff, in an affidavit, submitted to Defendants 47 and 48, to be indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging.

4. The issue of whether a particular website is indulging in infringing activities or not is, necessarily, an issue which only a court can decide. Classically, parties between themselves and without Court's intervention cannot treat any activity, whether physical or virtual, as infringing and take injunctive action on that basis.

5. Mr. Siddharth Chopra, learned Counsel for the plaintiff submits that, though this may be the correct legal position, strict adherence thereto would result in serious prejudice as rogue websites which replicate and stream content such as newly released films without any authorisation spring up overnight and, if the websites are not immediately blocked, the films would be streamed and would, therefore, be disseminated extensively through various social media platforms. He, therefore, submits that a balance is required to be struck. For this purpose, he offers to condition his prayer with the caveat that, simultaneously with the filing of the affidavit with Defendants 47 and 48, an application would also be filed before this Court, informing this Court of the said affidavit so that the Court could take a decision as to whether the allegations against the said website are justified or not.

6. *Prima facie*, the suggestion is wholesome and would strike a

balance between complying with the requirement of justice and fair play and ensuring that rogue websites do not mushroom and indulge in blatant infringement.

7. Accordingly, Defendants 47 and 48 are directed to issue notifications calling upon the various internet and telecom service providers registered under it to block access to any additional websites, as may be communicated to them by the plaintiff on affidavit to be indulging in infringing activities similar to those in which Defendants 1 to 26 are indulging. However, it is clarified that, before doing so, Defendants 47 and 48 are required to convince themselves that the websites are actually indulging in infringing activities.

8. In such an event, the plaintiff shall simultaneously file, along with the affidavit to be filed before Defendants 47 and 48, an application before this Court, informing it of the said affidavit and seeking approval of the request for blocking or suspending the said additional websites. Failure to file such an application simultaneously with the affidavit would result *ipso facto* in revival of the websites of which blocking is sought by the plaintiff.

9. This application stands disposed of in the aforesaid terms.

10. The order dated 16<sup>th</sup> February 2023 shall stand modified accordingly.

## **Annexure**

Subject: Action requested to be taken by MEITY and Plaintiff for effective removal of content for viewing by public at large within India as per the said orders of Hon'ble Court.

It is observed that a number of orders of Hon'ble Court are issued for blocking of websites every month. There are around more than 2700 ISPs in India and these ISPs are connected among themselves in a mesh network. DOT is instructing each of the ISPs through emails/through its website for blocking of the websites as ordered by the Hon'ble Courts. Ensuring compliance of the orders by each of the ISPs is a time-consuming and complex task especially in view of multiplicity of orders of Hon'ble Courts, multiplicity of websites to be blocked and multiplicity of ISPs.

2. Allocation of Business Rules inter-alia states thus:-

*'Policy matters relating to information technology; Electronics; and Internet (all matters other than licensing of Internet Service Provider).'*

3. In view of above and in order to ensure effective removal by content for viewing by public at large, the plaintiff is requested to do a trace route of the web server hosting the said website. In case the web server happens to be in India, the plaintiff may inform the same to Meity who may direct the owner of such web server to stop transmission of content as per IT Act and as directed by the Hon'ble Court so that the content would be blocked from the source itself and the exercise of blocking by 2700 ISPs would not be required.

4. In case such server is located abroad i.e. outside India then access to such URL/website can be blocked through the international internet gateways which are much less in number. This would result in timely and effectively removal of undesirable content for viewing by public at large as is the requirement as per the orders of Hon'ble Court.
