Office Memorandum

Sub: DoT-TSDSI webinar on “IoT/M2M applications for Verticals-Health”: | 25 August 2022 | 2:30 PM - 5:00 PM IST- reg.

A series of webinar on “IoT/M2M applications in key application verticals” is being organized jointly by DoT and TSDSI, in order to strengthen the M2M ecosystem in the country, encourage innovation in the sector and to facilitate its wider proliferation. This series showcases global and domestic applications, including pilots/field trials/deployments in verticals spanning Transportation, Utilities, Agriculture, Health, Industry 4.0, Smart Cities, etc.

2. After first two webinars on “Transportation” and “Utilities”, third webinar of the series on “Health” vertical is scheduled to be held on 25th August 2022. Detailed program schedule is attached as Annexure-1.

3. Webinar’s Date/Time: 25 August 2022; 2:30 PM to 5:00 PM IST

Venue: Online

Participation: Open to all by prior registration at link given below
