OFFICE MEMORANDUM

Subject: Implementation of Minimum Rollout Obligations (MRO) module in Saral Sanchar Portal.

This is in reference to minimum roll out obligations that a licensee has to fulfill in accordance with the respective Notice Inviting Application (NIA) for spectrum auction.

In order to automate the entire process involved in fulfillment of minimum roll out obligations and to monitor the progress along the various stages of MRO compliance, it has been decided to introduce an online MRO module in Saral Sanchar Portal. MRO module is a further step towards Ease of Doing Business and Reduction in Compliance Burden.

2. The salient features of MRO application process in the module are as follows:
 - a) Online Application for service test/ verification by TSPs in Form -A.
 - b) Examination of documents along with self-test results by the LSA.
 - c) Online generation of demand for payment of test fee, if applicable, by the LSA.
 - d) Online submission of test fee and Form-B, if applicable, by TSPs.
 - e) Uploading results of coverage testing/ verification of site carried out by the LSA.
 - f) Online issuance of compliance certificate by the LSA.
 - g) Evaluation of MRO compliance by AS wing and subsequent issuance of order for release of PBG/ demand notice for levy of LD.
 - h) Release of PBG by CGCA/ CCA Units.
3. Provision of digital signature has been made for submission of forms and issuance of certificates. Accordingly, all the Licensee(s) shall apply for verification of MRO compliance through MRO module from the date of launch of MRO module.
4. The user manual for the process flow along with snapshots of sample screen is available for ready reference as a part of the module. The access of MRO module will be available to the eligible Licensees through their existing Saral Sanchar credentials. Issues, if

any, related to functioning of MRO module may be reported to ADG (AS-IV) on email ID: adg.as4-dot@gov.in.

5. MRO Module will go live w.e.f. 20.02.2024.
