## **Standard Operating Procedure for Drawing & Disbursement Officer's Access to CRA system**

Version 1.0

This SOP defines the process of login functionality for DDOs to access the Central Recordkeeping Agency (CRA) system ([www.cra-nsdl.com](http://www.cra-nsdl.com)) to view the details of their underlying subscribers. The DDOs can now login the CRA system using User ID & I-PIN (password). The registration number allotted by CRA to the DDOs followed by '00' to be used as User ID. The DDOs can generate their I-PIN by capturing a request through instant reset option in the CRA system ([www.cra-nsdl.com](http://www.cra-nsdl.com)) and getting it authorized by their associated Nodal Office (PAOs/DTOs). Once the I-PIN reset request is authorized by the associated Nodal Office, the I-PIN generated by the DDO gets activated. This document explains the detailed process for the DDOs to access the CRA system using their User ID and password.

The following '**Options**' are available to the DDOs in CRA system:
