OFFICE MEMORANDUM

Subject: Release of PBG after fulfilment of rollout obligations - regarding

In consideration of TRAI recommendations on "Ease of Doing Telecom Business" dated 30.11.2017 and subsequent approval by Telecom Commission, it has been decided that Performance Bank Guarantee (PBG) for a particular phase of roll-out obligations should be released after successful certification by LSA Units (erstwhile TERM Cells). If LSA Unit fails to submit its report within 12 months after the date of offer, PBG should not be held back on account of pendency of testing.

2. Further, CCA should ensure that the release of bank guarantee does not take more than 30 days.
3. This is issued with the approval of Secretary (T).
