GUIDELINES FOR REGISTRATION OF INFRASTRUCTURE PROVIDERS-
CATEGORY-I (IP-I)

The Infrastructure Providers Category-I are those Infrastructure Providers who provide assets such as dark fibres, Right of Way, duct space & tower.

The following are the guidelines for the registration of Infrastructure Providers Category-I to be called IP-I.

1. The applicant must be an Indian company, registered under the Companies Act, 1956/2013.
2. FDI upto 100% under automatic route subject to Para 3.1.1 of FDI policy 2020 (as amended vide Press Note 3 (2020) series dated 17.04.2020) and observance of conditions of IP-1 Registration by the company as well as investors as notified by the Department of Telecommunications (DoT) from time to time.
   Notwithstanding with the above provision, foreign investment shall be subject to following conditions:
   (i) An entity of a country, which shares land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, can invest only under the Government route.
   (ii) In the event of the transfer of ownership of any existing or future FDI in an entity in India, directly or indirectly, resulting in the beneficial ownership falling within the restriction/ purview of the clause no. (i) above, such subsequent change in beneficial ownership will also require Government approval.
   (iii) Both direct and indirect foreign investment in the applicant company shall be counted for the purpose of calculating total FDI.
   (iv) The applicant company/ Indian Promoters/ Investment Companies including their holding companies shall comply relevant provisions of extant FDI policy of the Government. While approving the investment proposals, the Government may take into accounts security concerns.
   (v) FDI shall be subject to laws of India and not the laws of the foreign country/countries. The applicant company shall comply with the relevant provisions of FDI policy of the Government and such modifications to the policy as may be issued from time to time.
   (vi) The words, mentioned hereinafore, such as FDI, foreign equity, investment companies, FIPB, etc., shall have the same meaning as defined by Department for Promotion of Industry and Internal Trade (DPIIT) in its FDI Policy.
3. The company shall submit the application for registration in the prescribed form (Annexure-I). The documents may be submitted as per checklist at Annexure-II.
4. The applicant company shall make its own arrangement for Right of Way (ROW).
5. Change in the name of the applicant company or the registered IP-I, as the case may be, shall be permitted in terms of the provisions under the Companies Act, 1956/2013.

No. 10-12/2012-CS-III/Dec 2021
6. The applicant company shall be informed of the approval or rejection of the application as far as practicable within 15 days of submission of the application.

7. The registration for IP-I shall be on non-exclusive basis without any restriction on the number of entrants.

8. The IP-I registered company shall provide dark fibres, Right of Way, duct space, towers on lease / rent out / sale basis to the licensees of telecom services on mutually agreed terms and conditions.

9. The IP-I registered company shall submit a copy of an agreement entered into with the telecom service providers to the DOT within 15 days of signing of such agreement.

10. IP-I registered company shall provide for the use of infrastructure in a non-discriminatory manner.

11. The applicant company will be issued a Registration Certificate for IP-I, a draft copy of which is attached herewith as Annexure-III. The terms & conditions of these guidelines as well as that of the Registration Certificate will be binding on the IP-I registered companies.

12. The applicant company shall pay a processing fee of Rs. 5,000/- (non-refundable) through digital payments like e-transfers/NEFT/RTGS/Debit Card/Credit Card, as per the process given in the user guide for NTRP at http://www.dot.gov.in/sites/default/files/2016_12_14%20NTRP-TA-II.pdf

Registration Certificate For Infrastructure Provider Category-I (IP-I)

This is to certify that M/s __________________________ with registered office at ____________ is registered as Infrastructure Provider Category I (IP-I) to establish and maintain the assets such as Dark Fibres, Right of Way, Duct Space and Tower for the purpose to grant on lease/rent/sale basis to the licensees of Telecom Services licensed under Section 4 of Indian Telegraph Act, 1885 on mutually agreed terms and conditions.

2.0 In no case the company shall work and operate or provide telegraph service including end to end bandwidth as defined in Indian Telegraph Act, 1885 either to any service provider or any other customer.

3.0 The company shall submit a copy of an Agreement entered into with the telecom service providers within 15 days of signing of such Agreement.

4.0 The company shall provide the said infrastructure in a non-discriminatory manner.

5.0 In the event of any question, dispute or difference arising under this Registration, or in connection thereof, except as to the matter, the decision of which is specifically provided elsewhere under this Registration, the same shall be referred to the sole Arbitrator appointed and nominated by the Director General Telecommunications or by whatever designation Director General Telecom may be called, hereinafter called the “ARBITRAL TRIBUNAL”.

5.1 This Registration Certificate and any dispute thereof shall be governed by the substantive provisions of Indian law.

5.2 The venue of Arbitration shall be New Delhi or as may be fixed by the ARBITRAL TRIBUNAL anywhere in India.

5.3 The arbitration proceedings shall be conducted in accordance with the provisions of the Indian Arbitration and Conciliation Act, 1996 and rules framed there under or any modifications or re-enactment thereof made from time to time.

No. 10-12/2012-CS-III/Dec 2021
6.0 The Registered company can provide the infrastructure as stated above to any licensee of Telegraph services Licensed under section 4 of the Indian Telegraph Act 1885. The company shall, in no case, grant in any manner the infrastructure to any erstwhile Licensee whose license is either terminated or suspended or not in operation at given point of time. In the event of any infrastructure allowed before hand, then the Registered company shall be obliged to withdraw the grant of infrastructure and to disconnect or sever connectivity immediately without loss of time and further, upon receipt of any reference from the Licensor in this regard, disconnection shall be made effective within an hour of receipt of such reference. On the question of connectivity, the decision of the Director General Telecom shall be final.

7.0 The Registered company shall provide necessary facilities depending upon the specific situation at the relevant time to the Government to counteract espionage, subversive act, sabotage or any other unlawful activity.

7.1 The Registered company shall make available on demand to the agencies authorized by the Government of India, full access to the network for technical scrutiny and for inspection which can be visual inspection or any operational inspection.

7.2 All foreign personnel likely to be deployed by the Registered company for installation, operation and maintenance of the Registered company network shall be security cleared by the Government of India prior to their deployment. The security clearance will be obtained from the Ministry of Home Affairs, Government of India, who will follow standard norms in the matter.

7.3 The Registered company shall ensure protection of privacy of communication and ensure that unauthorized interception of messages does not take place.

7.4 The Government shall have the right to take over the equipment and networks of the Registered company or revoke/terminate/suspend the Registration of the company either in part or in whole as per directions if any, issued in the public interest by the Government in case of emergency or war or low intensity conflict or any other eventuality. Provided any specific orders or direction from the Government issued under such conditions shall be applicable to the Registered company and shall be strictly complied with. Further, the Government reserves the right to keep any area out of the operation zone of the service if implications of security so require.

7.5 Government reserves the right to modify these conditions or incorporate new conditions considered necessary in the interest of national security and public interest.

7.6 The Registered company will ensure that the Telecommunication installation carried out by it should not become a safety hazard and is or in contravention of any statue, rule or regulation and public policy.
7.7 In case it is decided to grant license under section 4 of Indian Telegraph Act, 1885 to Infrastructure Provider Category-I (IP-I) instead of registration, at a later date, the said registration shall stand cancelled after the prescribed period as decided by the competent authority and the Infrastructure Provider (IP-I) shall have to apply for grant of specified license/authorisation at that point of time as per terms and conditions applicable for such license/authorization.

8.0 Any breach of the above terms will lead to cancellation of the registration without any further notice.
