Subject: Invitation for attending the Seminar on "Advance Spectrum Management"

Training Division, Department of Telecom is organising one day seminar on the topic "Advance Spectrum Management" in collaboration with GSMA. This course will help participants understand the implications of different spectrum policy approaches and how they affect the delivery of mobile services to consumers. Participants will learn about how spectrum is used, the characteristics of spectrum bands and the progression of mobile technologies. The course also covers the principles of spectrum planning at a national, regional and international level. A deep dive into spectrum licensing will be followed by an overview of regulatory topics that relate to spectrum, such as infrastructure sharing, and numerous illustrative case studies. The lectures will be delivered by global experts on the subject from GSMA.

The schedule of the seminar is as follows:

Date: 9th October, 2018, Tuesday

Time: 09.00 Hrs. to 17.30 Hrs.

Venue: Conference Hall, 13th Floor, Sanchar Bhawan, New Delhi

The seminar will be inaugurated by Member (S). Detailed program is attached for ready reference.
