No: 820-01/2006-LR (Vol. II)

Dated: 03.12.2009

To

All Internet Service Providers
(Under Guidelines and General Information for Grant of Licence for
operating Internet Services dated 24.08.2007)

Subject: Amendment to the Licence Agreement for Provision of Internet
Services regarding security related concerns for expansion of Telecom
Services in various zones of the country

In exercise of the power vested in the Licensor under clause 7 of Licence
Agreement for Provision of Internet Services, inter-alia, reserving the right to modify
at any time the terms and conditions of the Licence in the interest of national security
and public interest or for proper provision of TELEGRAPH, the Licensor hereby
inserts, with immediate effect, the following clause of the said licence, namely:

“Part VI 34.29 The LICENSEE shall apply to the Licensor for security
clearance, along with the details of the equipment(s) as well as details of
equipment(s) suppliers and manufacturers including Original Equipment
Manufacturers (OEM), before placement of the final purchase order for
procurement / upgradation of equipment / software for provisioning of
telecommunications services under the licence. In case no response is received
from the Licensor within thirty working days, it shall be presumed that there is no
objection to the procurement.”
