To,

All Unified Licensees (having Access Service Authorization)

Subject: Revision of EMF audit testing conducted by LSA field units of DoT-regarding.

This is in reference to the instruction issued vide letter no. 800-15/2010-VAS dated 10.12.2010 wherein LSAs (erstwhile TERM Cells) have been directed to test up to 10% of the total BTS sites (new and existing sites) for EMF audit.

2. In this regard, the undersigned has been directed to convey the approval of competent authority that LSA field units of DoT will now test annually up to 5% of the total BTS sites (new and existing sites), randomly at their discretion. This revised target shall be applicable for the annual targets of FY 2022-23 also.
