**Remarks:**

1. Spectrum holding of the licencees, whose licencees are expiring during 2015-16, have not been reflected in the above table.
2. In Tamil Nadu service area, some operators are holding seperate UAS/CMTS licencees for Chennai and Tamil Nadu (excluding Chennai) service areas. For these operators, spectrum holdings have been reflected by taking maximum allocation in either of these two service areas.
3. Conditional surrender of spectrum (M/s TTSL/TTML) in 800 MHz band has not been reflected in the above table as the matter being sub-judice
4. FDD spectrum has been reflected as paired spectrum (uplink and downlink spectrum added together)
