

NCCS/SAS/ITSAR/STB/2020-21/12

Date 04/10/2021

Subject: Notice for seeking stakeholders inputs on the Security Test outline document for Set Top Box (STB) devices.

Dear Stake holders,

On the directions of DoT Hq, National Centre for Communication Security (NCCS), a centre under Department of Telecommunications headquartered at Bengaluru has commenced the work to develop Security test requirements for Set Top Box (STB).

2. Security Assurance Standards (SAS) division under NCCS is responsible for drafting and finalising ITSARs for communication equipment. In this regard, SAS would like to hold industry consultation and seek participation from willing organisations for development of security test requirements for STB. This above meeting will kickstart the development work of Indian Telecom Security Assurance Requirements (ITSAR) for STB devices. The consultation meetings shall be conducted online on periodic basis. The details of the kickstart meeting are as given below:

- **Date of meeting:** 21/10/2021 at 14:30 Hrs
- **Registration link:** <https://nccs-dot.webex.com/nccsdot/j.php?MTID=m6c74c8c82a63bd6632bbfc5d6fef758e>

3. Stakeholders are kindly requested to participate in the above meeting. The inputs as sought in the Security outline document for Set Top Box (STB) devices and duly filled nomination proforma for participation are to be mailed to the following Email addresses on or before 19/10/2021

- 1) Shri M N Pavan Kumar, ADG(SAS-1), NCCS – adg3ttscbg-dot@gov.in
- 2) Shri P Pani Prasad, Dir(SAS-1), NCCS – dirtsc3.bg-dot@nic.in

4. Security outline document for STB can be downloaded from following websites www.nccs.gov.in, www.tec.gov.in and www.dot.gov.in.

5. This issues with the approval of Sr DDG, NCCS Bengaluru
